CITY OF DREAMS MANILA COLLABORATES WITH “INTERNATIONAL KING OF CLUBS” MICHAEL VAN CLEEF AULT SECURING HIS TWO FAMED NIGHTCLUB BRANDS

Pangaea, the Ultra-Luxe Bottle Service Lounge enters the Philippine market for the first time, while Chaos, the world's first bottle and table service nightclub brand, makes its Asian debut in the last quarter of 2014

Manila / Singapore, August 18, 2014 – Integrated casino resort developer Melco Crown (Philippines) Resorts Corporation ("Melco Crown Philippines" or the "Company"), a company listed on the Philippine Stock Exchange ("PSE") with trading symbol "MCP" and a subsidiary of Melco Crown Entertainment Limited ("Melco Crown Entertainment") (SEHK: 6883) (NASDAQ: MPEL), a developer, owner and operator of casino gaming and entertainment resort facilities in Asia, today announced its collaboration with The Ault Group, the nightclub consulting firm led by the 'International King of Clubs,' Michael Van Cleef Ault, bringing the world-renowned nightclub brands – Pangaea and Chaos – into the fast-growing Philippine market.

Renowned for pioneering the "Ultra-Lounge" concept in the 90's, *Pangaea* has become a staple for those familiar with its intimate and sophisticated club set. Its bespoke designed furniture and custom-made dance tiers make this a club where every inch of the space is literally meant to be danced on. *Pangaea* has hosted A-listers including Madonna, David Beckham, Steven Tyler, Cee-Lo Green, Jessica Alba, Leonardo DiCaprio, Kate Moss, Will Smith, Jack Nicholson, powerful political figures and global billionaires.

Chaos is credited for being the world's first 'bottle service' night club. It has also firmly established itself as the greatest nightclub brand in history with New York Times Magazine declaring it "The Hottest Club in New York" when it opened in 1996 and quickly became a regular haunt for Hollywood and international celebrities alike. It earned similar bragging rights when it opened a year later in Miami's South Beach and São Paulo, Brazil.

“Following our recent announcements of other global entertainment brands, Melco Crown Philippines is introducing the internationally acclaimed nightclub brands Pangaea and Chaos to City of Dreams Manila,” said Clarence Chung, Chairman and President, Melco Crown (Philippines) Resorts Corporation.

“Introducing world-class clubs and a sophisticated international nightlife experience to City of Dreams Manila reinforces our overall entertainment destination strategy, as envisioned by Mr. Lawrence Ho, Co-Chairman and Chief Executive Officer of Melco Crown Entertainment Limited, and further enhances the regional and international leisure destination appeal of Manila.

“Inspired by Mr. Michael Van Cleef Ault, these establishments are two of the world’s most recognized and successful nightclubs, and are destined to set the standards for exciting nightlife in Manila, with a clear focus on meeting the needs of the region’s large and ever growing market of leisure and entertainment destination seekers.”

The founder of The Ault Group, Michael Van Cleef Ault, is entering the Philippine market for the first time, expanding his nightclub operations in Asia following his most recent international successes in Singapore and India.

“The Philippines is a highly important market with extraordinary growth potential. It has a huge young and educated demography, many of whom have travelled the world and seek the very best in nightlife entertainment. We are thrilled to have the opportunity to work alongside Melco Crown Philippines to deliver the ultimate in international nightlife offerings as part of what will be the extraordinary destination resort that is City of Dreams Manila,” said Mr. Ault.

“It was clear from day one that Melco Crown Philippines wants only the best for visitors to their property, and we can certainly deliver this. We don’t want to just re-create a nightclub for Manila, but to design an entertainment venue that is truly unique to this multi-faceted property and the Philippines.”

As Manila’s most exclusive Ultra Lounge, Pangaea will fuse the exotic and the glamorous, where audiences can experience the best in entertainment at tables encircling a rotating grand piano DJ booth. The exuberant atmosphere will offer an intimate escape in the ‘Study Lounge’ and the ultimate VIP experience in the ‘Peacock Room.’

Hosting up to 400 guests a night in over 730 square meters, Pangaea’s reputation around the world is unparalleled, measured also by the club’s devotion to superior service through the meticulous Pangaea Girls who deliver VIP concierge and bottle-services.

Manila's Chaos Nightclub will offer an unparalleled nightlife experience. Audiences can indulge in their fantasies as acrobats dance and performers entertain alongside world-class DJs in the high-energy Dance Club or enjoy a private thrilling experience in the gorgeously designed KTV Rooms. The nightclub is spread across two levels, over some 3,000 square meters and will open its doors to more than 2,000 clubbers looking for the best mix from the international DJs and private rooms.

Both clubs will be situated in City of Dreams Manila's iconic Fortune Egg, an architecturally-unique dome-like structure, which will be accented with creative exterior lighting design and anticipated to become a landmark of the Manila Bay area.

About City of Dreams Manila

City of Dreams Manila, when it opens in 2014, will mark the formal entry of Melco Crown Entertainment into the fast-growing and dynamic tourism industry in the Philippines. The new integrated casino resort at Entertainment City, Manila Bay, Manila, is being developed and will be operated by Melco Crown Philippines in alliance with SM Group's Belle Corporation.

The dynamic and innovative resort complex, located on an approximately 6.2-hectare site at the gateway to Entertainment City, will include the ultimate in entertainment, hotel, retail and dining and lifestyle experiences with aggregated gaming space, including VIP and mass-market gaming facilities with up to approximately 380 gaming tables, 1,700 slot machines and 1,700 electronic table games upon opening.

The integrated resort will feature three distinctive entertainment venues, including Manila's first branded Family Entertainment Center, a live performance central lounge inside the casino and a night club situated at the Fortune Egg, an architecturally-unique dome-like structure, which will be accented with creative exterior lighting design. It is expected to become an iconic landmark of the Manila Bay area.

City of Dreams Manila is destined to deliver an unparalleled entertainment and hospitality experience to the Philippines and will ultimately play a key role in strengthening the depth and diversity of Manila's leisure, business and tourism offering, enhancing its growing position as one of Asia's premier leisure destinations. It is being developed to specifically meet the needs of the large, rapidly growing and increasingly diverse audience of leisure and entertainment seekers both in the Philippines and those visiting Manila from across the Asia region and around the world.
